

## SPONSORSHIP of the 50<sup>th</sup> Anniversary!

**November 5<sup>th</sup> – Music Stirs (Concert & Film) at the Bardavon**

**November 6<sup>th</sup> – Spirit Sustains (Honors & Reception) at Revel 32**

### **Poughkeepsie, NY**

It was 50 years ago the mission of DCIC was born, the visionary leadership guided by evergreen language draped on the overhead banner, "***Love Has Brought Us Together.***"

Five decades later those words resonate more than ever. But our theme in 2022 includes "***Tested by Time,***" for together we recognize resilience, endurance and perseverance contribute to the reasons to celebrate and rededicate.

In solidarity with houses of worship representing all major faith traditions, DCIC is light and love across the region, remaining solidly unified in community spirit and service to neighbors most in need. From our year-round activities, professing interfaith values and spiritual unity during periods of great vitriol and division, to a national leader in mobilizing for the annual CROP Walk to assist those facing serious food scarcity, DCIC remains a beacon of benevolence when our world needs it most.

Please join us in a recommitment to the mission launched on that very special day in 1972 as an Official Sponsor in the pivotal year 2022. Rewards run deep and the return is abundant. Enclosed are details with the full slate of benefits. Sponsoring the gala aligns your generosity with interfaith constituents and community leaders throughout the county, and we will spend the next several months and well into 2023 amplifying gratitude for your support across our communication channels - as well as on the anniversary weekend, November 5-6<sup>th</sup>.

This anniversary is yours! ***Be an official sponsor today.*** Your contribution will make a vitally important investment in the interfaith mission for the crucial seasons to come as we rebound out of the challenges. Congratulations on five decades keeping the spirit up and shining the light so bright across our caring Dutchess County. Indeed, love *continues* to bring us together.
